Hi Sarah,

I don't think I can make the 11am meeting with John today (I have a WQS managers meeting at that time; sometimes it gets cancelled though).

I do have some additional initial thoughts on wording changes for the p.26 excerpt you had identified (see attached).

# Ex. 5 - Deliberative

I'm happy to talk with you after your meeting and before the 4PM call to ensure I'm on board with your strategy for the call.

Jim
